despite the growing critical relevance of shakespeare s two venetian plays and a burgeoning bibliography on both the merchant of venice and othello few books have dealt extensively with the relationship between shakespeare and venice setting out to offer new perspectives to a traditional topic this timely collection fills a gap in the literature addressing the new historical political and economic questions that have been raised in the last few years the essays in this volume consider venice a real as well as symbolic landscape that needs to be explored in its multiple resonances both in shakespeare s historical context and in the later tradition of reconfiguring one of the most represented cities in western culture shylock and othello are there to remind us of the dark sides of the myth of venice and of the inescapable fact that the issues raised in the venetian plays are tremendously topical we are still haunted by these theatrical casualties of early modern multiculturalism

this book provides an alternative understanding to machiavelli s renaissance italy

the jewish community of early modern venice was perhaps the leading jewish community of its time it emerged as a response to the desire of the venetian government to make credit readily available and toward the end of the 16th century it greatly expanded as venice faced with a serious decline in its international maritime trade adopted a policy of attracting iberian new christian merchants yet jews were still treated as the other and subjected to restrictions and discriminatory measures including confinement to a segregated enclosed quarter the ghetto despite this the interplay between economically motivated *raison d'état* and traditional religious hostility resulted in a delicate balance which enabled the jewish community of venice to assume a real leadership role in the world of the iberian jewish diaspora based extensively on previously unconsulted documents these articles deal with central issues in the experience of the jews of venice and so of diaspora jewish history in general the jewish quarter maritime trade and urban moneylending the jewish distinguishing head covering relations with church and state the forced baptism of jewish minors the converso problem and anti judaism

without any protective intervention the historic city of venice and its surrounding islands would suffer rapid deterioration due to the increased frequency of tidal flooding as the gap between land surface and sea levels has reduced due to a coupled effect of climate change induced sea level rise and natural and anthropic subsidence geotechnics of venice and its lagoon provides a clear and comprehensive illustration of the extensive geotechnical aspects of not only the various environmental problems such as land subsidence and wetland surface reduction but also solutions such as the design of the tilting gate foundations against high tides and the restoration and improvement of the drainage system of the renowned piazza san marco which have been necessary for the preservation of the extraordinary cultural heritage of venice readers will gain a better understanding of the complex phenomena occurring in the sensitive venice silts whose hydro mechanical behavior has required comprehensive laboratory and site investigations and modeling the book provides an authoritative analysis of one of the largest and most important geotechnical issues in the world a description of a detailed case study of an ongoing engineering solution the book will be useful for engineers worldwide and is also an excellent reference for students

this book focuses on the identity and public personae of the dogaressa wives of the elected doges of medieval and early modern venice the study traces the evolution of the public functions of the group of quasi royal wives rare for their visibility during venice s development into a regional economic and political power

in the charm of venice an anthology alfred h hyatt masterfully curates a tapestry of writings that capture the enchanting allure of venice weaving together voices from poets travelers and historians who have been mesmerized by the city s timeless beauty and mystique this anthology transports readers through the winding canals and vibrant piazzas evoking the romance and intrigue that have inspired countless artists and dreamers themes of love art and the ephemeral nature of beauty resonate throughout inviting readers to reflect on the enduring magic of venice and its relevance in a world that often forgets the importance of preserving cultural heritage as you turn each page you will find yourself immersed in a city where history whispers through every stone and where the past and present dance in a delicate balance in today s fast paced society this anthology serves as a poignant reminder of the value of slowing down to appreciate the intricate tapestry of human experience and the profound connections that transcend time and place with its rich tapestry of voices the charm of venice is not just a tribute to a city but a celebration of the universal human spirit inviting readers to embark on a journey of discovery and reflection

winner of the 2005 otto grundler award the international congress on medieval studies between the eleventh and thirteenth centuries venice transformed itself from a struggling merchant commune to a powerful maritime empire that would shape events in the mediterranean for the next four hundred years in this magisterial new book on medieval venice thomas f madden traces the city state s extraordinary rise through the life of enrico dandolo c 1107 1205 who ruled venice as doge from 1192 until his death the scion of a prosperous merchant family deeply involved in politics religion and diplomacy dandolo led venice s forces during the disastrous fourth crusade 1201 1204 which set out to conquer islamic egypt but instead destroyed christian byzantium yet despite his influence on the course of venetian history we know little about dandolo and much of what is known has been distorted by myth the first full length study devoted to dandolo s life and times enrico dandolo and the rise of venice corrects

the many misconceptions about him that have accumulated over the centuries offering an accurate and incisive assessment of dandolo s motives abilities and achievements as doge as well as his role and venice s in the fourth crusade madden also examines the means and methods by which the dandolo family rose to prominence during the preceding century thus illuminating medieval venice s singular political social and religious environment culminating with the crisis precipitated by the failure of the fourth crusade madden s groundbreaking work reveals the extent to which dandolo and his successors became torn between the anxieties and apprehensions of venice s citizens and its escalating obligations as a mediterranean power

for the first time the merchant of venice looks at the place and role of the late medieval merchant nobility in the great international trade that took place in the world known at the time from china and asia to flanders and england these merchants who travelled the world were also shipowners sailors and bankers they used modern banking techniques and credit based on bills of exchange held no secrets for them they traded spices porcelain cotton and silk dyes and glassware for drapery wool and metals these merchants used part of their profit to embellish their city which amazed foreign visitors and were always on the lookout for the latest discoveries and inventions venice was at the height of its power at the time but it was also on the eve of its weakening

Getting the books **Elements Of Venice** now is not type of inspiring means. You could not abandoned going with book buildup or library or borrowing from your contacts to way in them.
